

秀明大学 2023年度高大接続講座シラバス

開講日	2023年7月1日(土)
講座テーマ	英語でディベートをしよう
担当教員名	コンロイ アンソニー ポール
講座の概要	Students participating in this course will be practicing voicing solid opinions regarding the important issues of the time. To sound effective, opinions need support and this support has to be backed with meaningful examples. A number of different topics will be included in the different activities planned
講座の到達目標	The speaking tasks being arranged for tests lately tend to be independent speaking tasks. Such tasks test a speaker's ability to speak about themselves and often involve developing and then delivering an opinion. The development and delivery of personal opinions by students is the aim of this course.
テキスト・授業資料	The student is not expected to provide any special materials.
事前課題の概要	Prior to the lesson, participating students will receive a print containing stories concerning current topics, both local and international. Students will be requested to respond with their opinions on each of the situations. They will also be requested to look for a simple topic themselves. (受講申込完了後、講座の2週間前を目途に大学から事前課題を送付します。)
事後課題の概要	Two assignments will be prepared for the students to complete and submit following the course. One of will require the students to check for an article in the Japanese press. (講座終了後2週間以内に返送してください。)
評価	事後課題を確認・評価し、修了証を送付します。
